And, PROVIDED FURTHER, that the Supplementary Declaration or Amendment shall not operate so as to render the provisions of this Declaration as applied to such additional property less restrictive than as applied to The Properties prior to such Supplementary

Declaration or Amendment. When this Declaration has been so amended by Supplementary Declaration(s) or Amendment(s), the term "The Properties" as used herein shall be deemed to include The Properties described herein together with such additional property as may be added thereby. Each Supplementary Declaration adding properties shall include a geographical description of the property added and shall designate said additional property by a designation including Section and Phase so as to differentiate each respective area from other Sections and Phases then included within The Properties.

ARTICLE II

MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION

2.1 Membership. Each and every person or legal entity who shall own any Lot or Dwelling in The Properties (together with each and every person or legal entity who shall own any Lot or Dwelling in other subdivisions or communities within the Development), including contract sellers, shall automatically be a member of the Association, Provided, however, that any person or legal entity who holds such an interest merely as security for the performance of any obligation shall not be a member. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Membership in the Association may not be transferred except in connection with the transfer of title to a Lot.

2.2 Voting. The Association shall have two classes of membership as follows:

A. Class A: Initially, the Class A members of the Association shall be the Owners of Lots located in the Subdivision, with the exception of Declarant. If the same Owner owns more than one Lot, such Owner shall be a Class A member and shall have membership privileges and the obligation to pay assessments with respect to each Lot so owned. When two or more persons or entities hold undivided interests in any Lot, all such persons or entities shall be Class A members, and the vote for such Lot shall be exercised as they, among themselves, determine, but in no event shall more than one vote be cast with respect to each Lot. Class A membership shall be a non-voting membership except on such matters and in such events as hereinafter specified. In the event of disagreement among such persons and an attempt by two or more of them to cast such vote or votes, such persons shall not be recognized and such vote or votes shall not be counted.

B. Class B: The sole Class B member of the Association shall be the Declarant. The Class B member shall be a full voting membership, and shall be entitled to three (3) votes for each Lot owned within the Properties. At the election of the Class B member, the Class B membership shall terminate and cease to exist at any time, but in no event later than the first to occur of the following events, to-wit:

(1) Whenever the total number of votes outstanding in the Class A membership equals the total number of votes outstanding in the Class B membership; or,

(2) On December 31, 2001.

From and after the date on which the Class B membership shall so terminate and cease to exist, the Class B member shall be and become a Class A member with respect to any Lot owned by it, and in which event it shall be entitled to one vote for each Lot so owned.

2.3 Meetings. Except as may be herein otherwise provided, all matters concerning meetings of members of the Association, including the time within which and the manner in which notice of any meetings shall be given to said members, and the quorum required for the transaction of business at any of such meetings shall be as specified in the Articles of Incorporation or By-Laws of the Association, as amended from time to time, and by law.

2.4 Casting of Votes. Subject to the provisions of this Declaration and the Articles of Incorporation, the votes of the members shall be cast under rules and procedures as may be prescribed in the By-Laws of the Association, as amended from time to time, and by law.

2.5 Amplification. The provisions of this Article are to be amplified by the Articles of Incorporation and By-Laws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners of Lots as set forth herein. In the event of any conflict or inconsistencies between this Declaration, the Articles of Incorporation or the By-Laws of the Association, this Declaration and the Articles of Incorporation (in that order) shall prevail.

ARTICLE III

ASSESSMENTS

3.1 Purpose of Assessments. The assessments provided for herein shall be used for the purpose of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and occupants of Lots in the Subdivision and in particular for the acquisition, improvement, maintenance and operation of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas, including but not limited to the payment of taxes and insurance thereon and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof, as well as for the establishment and maintenance of one or more reasonable reserve funds for such purposes as to cover unforeseen contingencies or deficiencies, or for emergency expenditures or such other matters as may be authorized from time to time by the Board of Directors. In determining the fiscal needs of the Association, the Board of Directors of the Association shall be authorized to establish from time to time a reasonable amount which shall be contributed as a part of the annual assessment for capital purposes. As collected, such capital contributions shall be deposited in a separate capital account with separate records maintained therefor and

disbursements therefrom shall be only for capital purposes as determined from time to time by the Board of Directors.

3.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of any Lot or Dwelling, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association assessments which shall be fixed, established and collected from time to time as herein provided. Such assessments, together with such interest thereon and costs of collection thereof as herein provided, shall be a charge on and a continuing lien upon the Lot against which each such assessment is made. Such lien shall be perfected by filing of record in the office of the Clerk of Superior Court of the County in which the Lot or Dwelling is located a claim of lien within ninety (90) days after the assessment, or portion thereof, for which a lien right is claimed to have arisen. The claim of lien shall be substantially in the form attached hereto as Exhibit "D" and, by this reference, made a part hereof. Such a claim of lien shall also secure all assessments, or portions thereof, which come due thereafter until the claim of lien is cancelled of record. Also, each Owner shall be personally liable for the portion of any assessment coming due while he is the Owner of a Lot or Dwelling, and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of a conveyance but without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefor. Provided, however, any person who becomes the Owner of a Lot or Dwelling as purchaser at a judicial or foreclosure sale conducted with respect to an Institutional Mortgage, or pursuant to any proceeding in lieu of the foreclosure of such mortgages, shall be liable only for assessments coming due after the date such person so acquires title to the Lot or Dwelling.

3.3 Annual Assessments. Subject to the provisions of this Article, the annual assessment payable to the Association for common expenses and capital contributions shall be as follows:

(a) Beginning with the calendar year 2000, the annual assessment payable to the Association for common expenses and capital contributions shall be determined as follows:

(i) Common Expenses. Subject to the provisions of subsection (iii) below, not later than December 1st of the previous calendar year, the Board of Directors of the Association shall estimate and prepare a budget for the ensuing calendar year for the total of all common expenses which shall be paid by annual assessments. If said estimated sum proves inadequate for any reason then, subject to the provisions of subsection (iii) below, the Board of Directors of the Association may levy at any time in the calendar year a further assessment for common expenses. If for any reason an annual budget is not made as required hereby, that portion of the annual assessment for common expenses for the ensuing calendar year shall remain the same as for the previous calendar year.

(ii) Capital Contributions. In addition to the amount which shall be paid for common expenses as provided in subsection (i) above, but subject to the provisions of subsection (iii) below, the Board of Directors of the Association

shall also be authorized to establish an amount which, as a part of the annual assessment, shall be contributed to the Association during the ensuing calendar year for capital purposes. If, for any reason, the Board of Directors of the Association does not make a determination as to the amount of capital which shall be contributed during the ensuing calendar year, then that portion of the annual assessment for contribution to capital for the ensuing calendar year shall remain the same as for the previous calendar year.

(iii) Cost of Living Limitation. Not later than December 15th of the previous calendar year, the Board of Directors of the Association shall furnish such proposed budget for common expenses and for capital contributions, if any, for the ensuing calendar year to all Lot Owners subject to assessment as herein provided. If the aggregate amount thereof (that is, for both common expenses and capital contributions) does not exceed percentage-wise the amount of \$600.00 (the "Base Amount") by more than the percentage increase in the cost of living during the period from January 1, 1997, to the immediately preceding September 1st, as measured by the Macon, Georgia, Consumer Price Index for Urban Wage Earners and Clerical Workers, All Items, published by the Bureau of Labor Statistics, U.S. Department of Labor, then such proposed budget may be adopted by the Board of Directors as the budget of the Association for the ensuing calendar year without a vote of the membership of the Association; provided, however, if such proposed budget exceeds such percentage increase, then such budget shall not be adopted as the budget of the Association for the ensuing calendar year unless the same is approved by (i) a majority of the votes which the Class A members present, or represented by proxy, are entitled to cast at a meeting duly called and held for such purpose, and (ii) by the Class B member of the Association, so long as such membership shall exist. Should the reference base used in such Consumer Price Index be revised after January 1, 1997, then the foregoing escalation formula shall be computed on the basis of a revised index furnished by the Bureau of Labor Statistics. Should the publication of such Consumer Price Index be discontinued, then the foregoing escalation formula shall be computed on the basis of a comparable successive index published by the U.S. Government. Further, at the time of the recording of this Declaration, said Base Amount will be an estimated amount and will not have been based on any extended period of experience as to the actual fiscal needs of the Association. Therefore, should the Board of Directors of the Association determine, from time to time, from actual experience that said Base Amount is unrealistic, then said Base Amount may be increased or decreased, as the case may be, if such action is approved (i) by a majority of the votes which the Class A members of the Association present, or represented by proxy, are entitled to cast at a meeting duly called and held for such purpose, and (ii) by the Class B member of the Association so long as such membership shall exist.

(iv) Limitation on Increases During First 2 Years. Notwithstanding the foregoing Cost of Living Limitation provisions, the Board of Directors may without approval by vote of the membership increase the annual assessment for common expenses and for capital contributions during the calendar year 2000 to

an amount that may exceed the cost of living limitation; provided, however, the aggregate assessment for common expenses and for capital contributions during the calendar year 2000 shall not exceed \$840.00.

(b) Allocation. Unless otherwise specified by the Board of Directors of the Association, each installment payment made by a member of the Association on the annual assessment payable by such member shall be allocated to the common expense fund and to the capital reserve account on a *pro rata* basis, according to the amount to be paid for common expenses and the amount, if any, to be contributed to capital in the particular calendar year.

3.4 Special Assessments.

(a) Capital Improvements. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon or within the Common Areas, including fixtures and personal property related thereto. Except as otherwise specifically provided herein, any such special assessment shall be approved (i) by a majority of the votes which the Class A members of the Association present, or represented by proxy, are entitled to cast at a meeting duly called and held for such purpose, and (ii) by the Class B member of the Association, so long as such membership shall exist.

(b) Subdivision Amenities. In addition to the annual assessments authorized above, the Board of Directors of the Association may levy special assessments applicable to and payable by only persons or legal entities owning Lots within the Subdivision (and not to owners of Lots outside the Subdivision but within other subdivisions or communities within the Development) for the maintenance and operation of amenities (if any) available to and useable by only Lot Owners within the Subdivision (*e.g.*, electronically controlled gates or other devices limiting access to the Subdivision).

3.5 Uniform Rate of Assessment. Except as otherwise specifically provided herein, both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a calendar year basis or in such other reasonable manner as may be determined by the Board of Directors of the Association.

3.6 Assessments; Due Dates.

(a) The annual assessments payable to the Association, as provided for in this Article, shall be established on a calendar year basis and shall commence as to each Lot as of the first day of the month next following the month in which any one of the following shall first occur: (i) the lapse of one (1) year from the date such Lot is conveyed by Declarant, or (ii) a residence constructed on the Lot is first occupied. The date of the commencement of the annual assessment as to a particular Lot, as determined aforesaid, is hereinafter sometimes referred to as "the commencement date." The first annual assessment payable to the Association shall be adjusted according to the number of months remaining in the calendar year as of the commencement date. Unless

otherwise provided by the Board of Directors of the Association, such prorated assessment shall be paid on the commencement date. The Association's Board of Directors shall fix the amount of the annual assessment payable to the Association against each Lot and send written notice of same to every Owner subject thereto in advance of each annual assessment period. Unless otherwise provided by the Association's Board of Directors, and subject to the foregoing provisions of this Section, the annual assessment for each Lot shall become due and payable to the Association on the first day of February and shall be paid to the Association when due without further notice from the Association.

(b) The special assessments payable to the Association, as provided for in this Article, shall be due on the date(s) specified by the Association's Board of Directors.

(c) The Association shall, upon demand at any time, furnish to any Owner liable for any such assessment a certificate in writing signed by either the President or Treasurer of the Association, or by the manager of the Association, if any, setting forth whether the same has been paid. A reasonable charge, as determined by the Association, may be made for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

3.7 Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment, or portion thereof, not paid when due shall be delinquent. If the same is not paid within five (5) days after the due date, then a late charge equal to ten percent (10%) of the amount thereof or \$5.00, whichever is greater, shall also be due and payable to the Association. Any assessment or portion thereof not paid when due shall bear interest from the date of delinquency until paid at the maximum legal rate. The Board of Directors of the Association may suspend the voting rights of the Owner during the period in which any assessment or portion thereof remains unpaid and may bring an action at law against the Owner or Owners personally obligated to pay the same or foreclose its lien against such Owner's Lot, in which event late charges, interest, costs and attorney's fees in an amount equal to the greater of \$500.00 or fifteen percent (15%) of the past due amount plus interest due thereon, may be added to the amount of such assessment or portion thereof which is past due. All payments on account shall be applied first to late charges, then interest, and then to the assessment lien first due. All late charges and interest collected shall be credited to the common expenses fund. Each Owner, by his acceptance of a deed or other conveyance to a Lot, vests in the Association the right and power to bring all actions against him personally for the collection of such charges as a debt and to foreclose the aforesaid lien against his Lot in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all Owners. Any legal action brought by the Association to enforce such lien against such Lot shall be commenced within one (1) year from the time the assessment, or portion thereof, became due. Failure to bring such an action within such time shall cause the lien to be extinguished as to such assessment, or portion thereof, more than one (1) year past due, but shall not bar an action by the Association against the Owner(s) obligated to pay the same in accordance with the provisions hereof. The Association shall have the power to bid in the Lot at any judicial or foreclosure sale and to acquire, hold, lease, encumber and convey the same. No Owner may waive or otherwise escape liability for the

assessments provided for herein by non-use of the Common Property and facilities located thereon or abandonment of his Lot.

3.8 Priority of Lien. The lien of the assessments provided for in this Article shall be prior and superior to all other liens except only (a) ad valorem taxes and (b) all sums unpaid on a first mortgage, if any, filed of record in the office of the Clerk of the Superior Court of the County in which the Lot is located. The sale and transfer of any Lot shall not affect the assessment lien; provided, however, that the sale or transfer of any Lot which is subject to a first mortgage pursuant to the judicial sale or foreclosure thereof, or pursuant to any proceeding in lieu of foreclosure, shall extinguish the lien of such assessments as to the payments thereof which become due prior to such sale or transfer. No such sale or transfer shall relieve the acquirer of title, and the successors-in-title and assigns thereof from liability for any assessment thereafter becoming due on the Lot from the lien thereof. Provided, however, the Association may at any time, either before or after a first mortgage is placed on a Lot, waive, relinquish or quitclaim in whole or in part the right of the Association to assessments provided for herein with respect to such Lot coming due during the period while such Lot is or may be held for liquidation by the first mortgage pursuant to such sale or transfer.

3.9 Exempt Property. Notwithstanding the commencement date otherwise established by Section 3.5 of this Article, all Lots made subject to this Declaration shall be exempt from the assessments created herein until conveyed by Declarant to another Owner. Provided, however, that all Lots made subject to this Declaration and not so conveyed by Declarant shall be and become subject to such assessments as of the beginning of the calendar year next following the calendar year in which the Class B membership of the Association shall terminate and cease to exist. Thereupon, such assessments shall be imposed at such rates and on such terms and conditions as may then be applicable to all Lots conveyed by the Declarant prior thereto. Provided, further, notwithstanding the foregoing, any Lot owned by Declarant and rented by Declarant shall become subject to all assessments (on a prorated basis if during a calendar year) as of the date the Lot is so rented. Every grantee of any interest in any property located in the Subdivision, by acceptance of a deed or other conveyance of such interest, agrees that any Lots owned by Declarant shall be exempt from said assessments as herein set forth.

3.10 Property Not Owned by the Association. The Association shall be authorized to expend assessments for the improvement and maintenance of certain real and personal property which does not constitute a Common Area, or any improvement therein or personal property incident thereto, owned by the Association but which is made available for use by all Lot Owners by Declarant or other persons. Such expenditures may be made only for so long as such property is made available for use by all Lot Owners. Such expenditures shall create no ownership rights, easements or licenses, whether legal or equitable, express or implied, over such property in the Association or any Lot Owner, such use being permissive only and subject to termination by Declarant or the owner of such property at any time, without notice.

ARTICLE IV

ADMINISTRATION

4.1 Responsibility for Administration. The maintenance, repair, replacement and operation of the Common Areas and facilities located thereon shall be the responsibility of the Association. Such administration shall be governed by this Declaration and the Articles of Incorporation and By-Laws of the Association, as amended from time to time. The powers and duties of the Association shall be those set forth in said documents together with those reasonably implied to effect their respective purposes, and shall be exercised in the manner provided therein. The association shall accept such conveyances of Common Area as are made from time to time to the Association by the Declarant.

4.2 Management Agreements. The Association's Board of Directors may employ a professional manager for the administration and operation of the property subject to the Association's jurisdiction. The employment agreement may provide that, during his tenure, such manager shall be authorized and responsible for exercising all powers and performing all duties of the Association, excepting only those powers and duties specifically and exclusively assigned or reserved to the officers, directors or members of the association by this Declaration and the Association's Articles of Incorporation or By-Laws. The manager may be an individual, corporation, or other legal entity, as the Board of Directors shall determine, including individuals associated with Declarant. The Board of Directors may require that such manager be bonded in such amount as the Board of Directors may require. The cost of acquiring any such bond shall be an expense of administration, payable from the common expense fund. Each Lot Owner hereby agrees to be bound by the terms and conditions of all management agreements entered into as hereinabove provided.

Notwithstanding the duty of the Association to maintain, repair and replace the Common Areas and facilities, the Association shall not be liable for injury or damage caused by any latent condition of such property and facilities, nor for injury or damage caused by the elements, nor for injury to its members or other persons, nor shall any officer or director of the Association be liable to any of its members for injury or damage caused by such officer or director in the performance of his duties unless due to the willful misfeasance or malfeasance of such officer or director. Each officer or director of the Association shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having been such an officer or director, whether or not he is such an officer or director at the time such expenses and liabilities are incurred, except in such cases *wherein the officer or director is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties*. Provided, however, in the event of a settlement, the indemnification shall apply only when the Board of Directors approves such settlement and reimbursements as being in the best interests of the Association.

Each Owner shall be entitled to the exclusive ownership and possession of his Lot or Dwelling, subject to the provisions of this Declaration, including without limitation, the provisions of this Article. If any chutes, flues, ducts, conduits, wires, pipes, plumbing, or any other apparatus or facilities for the furnishing of utilities or other services to a Lot or Dwelling lie partially within and partially outside the designated boundaries of the Lot or Dwelling in question, any portions thereof which serve only such Lot or Dwelling shall be deemed to be a part of such Lot or Dwelling and any portions thereof which serve more than one Lot or Dwelling, or any portion of the Common Areas, shall be deemed to be a part of the Common Areas. The ownership of each Lot and Dwelling shall include, and there shall pass with each Lot and Dwelling as an appurtenance thereto, whether or not separately described, all of the right and interest in and to the Common Areas as established hereunder, which shall include, but not be limited to, membership in the Association. Each Owner shall automatically become a member of the Association and shall remain a member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically pass to his successor-in-title to his Lot or Dwelling, and upon such transfer, such former Owner shall simultaneously transfer and endorse to his successor-in-title any certificates or other evidences of his membership in the Association.

5.2 Owner's Easement of Enjoyment. Subject to the provisions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board of Directors in accordance with the By-Laws and the terms hereof, every Owner, his family, tenants, and guests shall have non-exclusive right, privilege, and easement of use and enjoyment in and to the Common Areas, such easement to be appurtenant to and to pass and run with title to each Lot and Dwelling, subject to the following provisions:

(a) The right of the Association to borrow money (i) for the purpose of improving the Common Areas, or any portion thereof, (ii) for acquiring additional Common Areas, (iii) for constructing, repairing, maintaining or improving any facilities located or to be located within the Common Areas, or (iv) for providing the services authorized herein, and to give as security for the payment of any such loan a security deed or other security instrument conveying all or any portion of the Common Areas; provided, however, that the lien and encumbrance of any such security instrument given by the Association shall be subject and subordinate to any and all rights, interests, options, licenses, easements, and privileges herein reserved or established for the benefit of Declarant, any Owner, or the holder of any Mortgage, irrespective of when such Mortgage is executed or given.

(b) The rights and easements reserved to Declarant in this Article, Sections 5.4, 5.5, 5.6, 5.7.1, 5.7.3, 5.7.4, 5.7.6 and 5.7.7.

(d) The rights and easements reserved in Section 5.9.5 of this Article for the benefit of the Association, its trustees, officers, agents and employees.

(e) The rights and easements reserved in Section 5.9.7 of this Article hereof for the benefit of the Additional Property.

(f) The rights of the holder (and its successors and assigns) of any mortgage which is prior in right or superior to the rights, interests, options, licenses, easements, and privileges herein reserved or established.

Subject to the terms and provisions of this Declaration and the rules, regulations, fees and charges from time to time established by the Board of Trustees, every Owner and his family, tenants, and guests shall have the non-exclusive right, privilege, and easements of access to and the use and enjoyment of the recreational facilities and amenities (if any) as are now or hereafter located in the Common Areas. An Owner may assign to the tenant of his Lot or Dwelling such Owner's rights of access to and use of said recreational facilities so that such tenant, his family and guests shall be entitled to the access to, and the use and enjoyment of, the recreational facilities on the same basis as an Owner and his family and guests.

5.4 Access. All Owners, by accepting title to Lots or Dwellings conveyed subject to this Declaration, waive all rights of uncontrolled and unlimited access, ingress, and egress to and from such Lot or Dwelling and acknowledge and agree that such access, ingress and egress shall be limited to roads, sidewalks, walkways, and trails located within the Development from time to time, provided that pedestrian and vehicular access to and from all Lots and Dwellings shall be provided at all times. 5.5 Easement for Declarant. During the period that Declarant owns any Lot, or Declarant owns any Lot or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, Declarant shall have an alienable and transferable right and easement on, over, through, under, and across the Common Areas for the purpose of constructing Dwellings and other improvements in and to the Lots and the Additional Property and for installing, maintaining, repairing, and replacing such other improvements to the Property (including any portions of the Common Areas) as are contemplated by this Declaration or as Declarant desires, in its sole discretion, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Declarant have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Declarant at that time retains ownership of a Dwelling or Lot or has the right to submit the Additional Property or any portion thereof to the Development, Declarant shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvements thereon for such purposes as Declarant deems appropriate, provided that Declarant shall not exercise such right so as to unreasonably interfere with the rights of Owners in the Development to the use of the Common Areas.

5.6 Changes in Boundaries; Additions to Common Areas. Declarant expressly reserves for itself and its successors and assigns, the right to change and realign the boundaries of the Common Areas, any Lots or Dwellings owned by Declarant, including the realignment of boundaries between adjacent Lots and/or Dwellings owned by Declarant. Such easements may be granted or accepted by Declarant, its successors or assigns, or by the Board of Directors, provided, however, that for so long as Declarant owns any Lot or Dwelling primarily for the purpose of sale or has the unexpired option to add the Additional Property or any portion thereof to the Development, the Board of Directors must obtain the written consent of Declarant prior to granting and accepting any such easements. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this Declaration. As of the date of recordation of this Declaration, all privileges, powers, rights and authority of the Architectural Control Committee shall be vested in the aforementioned persons and exercised by them.

6.1.3 Function of Architectural Control Committee. 6.1.4 Content of Plans and Specifications. The plans and specifications to be so submitted and approved shall include the following:

It does include both original improvements and all later changes and improvements.

6.1.6 Basis of approval. Approval of plans and specifications shall be based, among other things, on adequacy of site dimensions, structural design, conformity and harmony of external design and of location with neighboring structures and sites, relation of finished grades and elevations to neighboring sites, and conformity to both the specific and general intent of the protective covenants.

6.1.7 Failure of the Committee to Act. If the Architectural Control Committee fails to approve or to disapprove such plans and specifications or to reject them as being inadequate within thirty (30) days after submittal thereof, it shall be conclusively presumed that such committee has approved such plans and specifications, EXCEPT that the Architectural Control Committee has no right or power, either by action or failure to act, to waive or grant any variances specifically reserved to Declarant. If plans and specifications are not sufficiently complete or are otherwise inadequate, the Architectural Control Committee may reject them as being inadequate or may approve or disapprove part, conditionally or unconditionally, and reject the balance.

6.1.8 Limitation of Liability. Neither the Declarant, the Architectural Control Committee, nor any of the members of such committee, shall be liable in damages or otherwise to anyone submitting plans and specifications for approval or to any owner of land affected by this Declaration by reason of mistake of judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or to disapprove any plans and specifications.

6.2 Applicability of Covenants. The following provisions shall be applicable to any and all construction, improvement, alteration, or addition to The Properties.

6.3 Land Use and Building Type.

6.3.1 Land Use and Building Type. No lot shall be used except for residential purposes. No residential structure shall be erected, altered, placed or permitted to remain on any lot other than one (1) single-family dwelling, not to exceed three stories in height, and a private garage for not more than three automobiles. In addition, all driveways and parking areas shall be constructed with concrete. Notwithstanding the provisions of Article II hereof and the authority and discretion therein granted to the Architectural Control Committee, no structures shall be erected, altered, placed or permitted to remain on any lot unless same comply with the following:

(i) Roofs. All roofs shall have matching architectural shingles and a pitch of not less than 7/12 on front elevation and not less than 5/12 on rear elevation.

(ii) Exterior Siding. The exterior of all dwellings and outbuildings shall be constructed of brick, wood-siding, stucco, drivet or vinyl.

(iii) Fences. No chain-link fences shall be allowed. No other type fence or wall shall be allowed on any lot (a) in the front yard or any nearer to the street or road right-of-way line than ten (10) feet to the rear of the front of the residence (exclusive of open porches), (b) any nearer to a side street right-of-way line than the minimum building setback line along such side street right-of-way line, and (c) having posts or support members visible from adjacent streets, lots or any part of the Common Area.

6.3.2 Zero Lot Line Concept. The structures erected or to be erected upon the lots or parcels to which these restrictions are applicable contemplate the use of a zero lot line concept, which if used shall meet the requirements of the building regulations, codes, statutes,

laws and ordinances of the City of Centerville, Georgia, or any other applicable governmental authority. There is hereby expressly reserved unto each lot an easement for a roof overhang not to exceed twenty-four (24) inches onto each adjoining lot, which said easement for roof overhang shall be and same hereby is deemed to be applicable to any structures erected on said lots or parcels. Provided, however, in the event that an existing structure has been erected on an adjoining lot or parcel, the easement for roof overhang hereby reserved unto each lot shall be effectual only to the extent that the use thereof would not interfere with said existing structure on an adjoining lot or parcel. The owner of the property to which such easement for roof overhang is appurtenant shall also have and enjoy an easement over, upon and across such portion of the adjoining lot or parcel as is reasonably necessary to provide access for the construction, repair, maintenance and upkeep of such roof overhang.

Where there exist two (2) contiguous zero lot line structures with walls to any extent immediately adjacent to the dividing line between the two (2) adjoining lots or parcels, neither of said walls shall be tied or joined to the other without the express written consent of the owners of each of the adjoining lots or parcels affected thereby, and in no event shall such walls be tied or joined together in any manner which would violate the building regulations, codes, statutes, laws or ordinances of any governmental authority and which are applicable to the property. In the event such walls are tied or joined together, however, there is hereby expressly reserved unto each lot a reciprocal easement for the purpose of ingress and egress over, upon and across such portion of the adjoining lot or parcel as is reasonably necessary to provide access for the construction, maintenance and repair of the respective walls. Further, in the event such walls are tied or joined together, there is hereby expressly reserved unto each lot a reciprocal easement for the purpose of constructing, repairing, improving and maintaining such brick, masonry or wooden fascia, molding and/or trimwork as is reasonably necessary to join the two contiguous structures and to render such joinder architecturally and aesthetically satisfactory and acceptable to the owner or owners of each of said contiguous structures and the Architectural Control Committee. Provided, however, the easement herein reserved for the purpose of joining the walls of such contiguous structures shall not extend more than twelve (12) inches onto the lot or parcel to which same is applicable, unless otherwise agreed to in writing by the owner or owners of such lot or parcel.

In the event the walls of two (2) contiguous zero lot line structures are tied or joined together as hereinabove provided, the structures, and each of them, shall conform to all of the building requirements, codes, statutes, laws ordinances of any applicable governmental authority, shall be built in conformity with the requirement of the insurance underwriters so that the fire and casualty insurance rate of each structure shall not be increased by the fact that such walls are joined, and shall be constructed in a workmanlike manner so as not to weaken said walls or damage the structures or property of the owner or owners of either of such contiguous lots or parcels.

The owner or owners of a lot or parcel and whose wall is tied or joined together with the wall of a structure located on a contiguous lot or parcel as hereinabove provided shall pay one-half (1/2) of the cost and expense of keeping said walls in good repair, but shall not be responsible for the expense incurred by the other party in plastering, painting or otherwise keeping the wall of such other party inside the structure of the other party in good repair and usable as an interior wall for the structure of such other party. If, however, the wall of such

owner or owners shall be damaged or destroyed due to the negligence or intentional misconduct of the owner or owners of the contiguous or adjacent lot or parcel, or such other owner's or owners' servant, employee or agent, or any other person occupying or using such other lot or parcel with the consent of such other owner or owners or as the tenant of such other owner or owners, such other owner or owners shall be solely responsible for such damage or destruction and shall bear the entire cost and expense of repairing or rebuilding said wall.

Notwithstanding the provisions of this Section 6.3.2, or any other provisions set forth in this instrument, the Declarant does hereby expressly reserve unto itself the right to tie or join together the walls of contiguous zero lot line structures which it erects or builds on any lot or parcel of the subdivision without obtaining the prior express written consent of the owner or owners of the adjacent lot or parcel and to whose wall the wall of a structure being erected by the said Declarant is being tied or joined, and such easements as are necessary to the enjoyment of such right are hereby expressly reserved unto the Declarant. Provided, however, the right of the Declarant hereby reserved to tie or join the wall of a structure it is erecting to the wall or walls of the owner or owners of a contiguous zero lot line structure shall not permit the exercise of such right in a manner that would extend or increase the roof overhang easement or easement for the purpose of constructing, repairing, improving and maintaining brick, masonry or wooden fascia, molding and/or trimwork beyond the scope and terms thereof as hereinabove set forth.

6.4 Minimum Dwelling Size. No dwelling shall be permitted on any lot in the Subdivision, unless prior written approval of the same is received from the Architectural Control Committee as herein otherwise provided and shall have not less than 1,350 square feet of Living Space for dwellings of not more than one (1) story, and 1,550 square feet of Living Space for dwellings of more than one (1) story. The ground floor area of a dwelling of more than one-story shall have not less than 800 square feet of Living Space.

6.5 Building Location. No building shall be located on any lot nearer to the front line or nearer to the side street line than the minimum building setback line shown on the aforementioned recorded plat of survey. Except as provided in Section 6.3.2 hereof, no building or structure or any part thereof shall be erected or maintained nearer the side boundary lines of any lot nearer than 3 feet or within 8 feet from any building or structure on any adjacent lot. Provided, however, and notwithstanding the provisions of Section 6.3.2 hereof, no zero lot line structure shall be erected or maintained nearer than 8 feet from any building or structure or an adjacent lot. For the purpose of this covenant, eaves, steps, carports, air-conditioning units and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

6.6 Subdivision of Lots; Use as Access. None of the lots shall at any time be divided into as many as two (2) building sites and no building site shall be less than the area of the smallest lot platted in the block of which the building site is a part. A single lot together with contiguous portion or portions of one or more lots in the same block may be used for one building site, and no building or structure or any part thereof shall be erected or maintained nearer the side boundary lines or such integral unit than 10 feet. NO LOT, OR ANY PORTION THEREOF, MAY BE USED AS A ROAD, STREET OR IN ANY MANNER FOR THE

PURPOSE OF PROVIDING ACCESS TO OTHER PROPERTY WITHOUT THE PRIOR WRITTEN APPROVAL OF DECLARANT.

6.7 Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Drainage flow shall not be obstructed, nor be diverted from, drainage or utility easements as designated above or on the aforesaid recorded plat of survey.

6.8 Nuisances. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be, or may become an annoyance or nuisance to the neighborhood.

6.9 Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently, unless approved by the Architectural Control Committee.

6.10 Signs. No sign of any kind shall be displayed to the public view on any lot except the professional sign of a licensed real estate sales broker or agency advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

6.11 Vehicle Storage. No motorhomes, campers, camper-trailers, boats, boat trailers, or other recreational vehicles, and no trucks exceeding 3/4-ton, shall be kept or stored on any part of any of said lots except (i) within an enclosed garage or (ii) at a location on the lot which shall be so placed and screened, and kept, so as not to be visible from any street or lot within the subdivision or adjacent to the subdivision. Any fencing or screening for such vehicles shall require the prior approval of the Architectural Control Committee.

6.12 Headwalls and Driveways. Any other provision contained herein notwithstanding, any headwall placed on any of said lots shall be constructed of common brick and all driveways shall be constructed and made of concrete or asphaltic hot mix. All of said lots shall have said driveways and the same shall be a minimum width of ten (10) feet and shall run from the paving of the road to the minimum building set-back line for the respective lots.

6.13 Satellite Dishes. No Satellite dishes, outside antennae or other similar structures designed for the reception of television or radio signals shall be placed on any lot, unless same shall be so placed and screened, and kept, so as not to be visible from any street or lot within the subdivision or adjacent to the subdivision. Any fencing or screening for such antennae shall require the prior approval of the Architectural Control Committee.

6.14 Mailboxes. Mailboxes for all houses constructed on any of the within described lots shall be uniform and shall be constructed in conformity with plans and specifications furnished by the Architectural Control Committee hereinafter named. No mailbox shall be placed on any lot until approved by said Committee.

6.15 Oil and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

6.16 Livestock and Poultry and Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purposes. However, no animals shall be kept on any lot in such manner as creates a nuisance or disturbance to the other lot owners, or violate any law, ordinance or regulation of the State of Georgia, the City of Centerville, Houston County or other applicable regulatory or governmental agency.

6.17 Garbage and Refuse Disposal. No lot shall be used or maintained as dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators and other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Every outdoor receptacle for ashes, trash, rubbish or garbage shall be installed at a location on the lot which shall be so placed and screened, and kept, so as not to be visible from any street within the subdivision or adjacent to the subdivision, at any time, except at the times when refuse collections are being made. Any fencing or screening required for said receptacle shall be approved by the Architectural Control Committee.

6.18 Sewage Disposal. No individual sewage-disposal system shall be permitted on any lot unless such system is designated, located and constructed in accordance with the requirements, standards and recommendations of the Georgia Department of Public Health. Approval of such systems as installed shall be obtained from such authority.

6.19 Sight and Distance at Intersections. No Fence, wall, hedge or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property line and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case of a rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

6.20 Landscaping. The builder, contractor, or owner of each residential lot shall certify to the Architectural Control Committee at the completion of the residence erected on each said lot that said builder, contractor, and/or owner have expended not less than \$500.00 to purchase and plant ornamental plants, trees and shrubs (exclusive of grading, topsoil, seed, sod, fertilizer and other landscaping). Said cost is to be based on the costs prevailing at the time of the execution of these Covenants. The Architectural Control Committee may in its sole

discretion require such builder, contractor or owner to submit paid receipts evidencing such expenditure.

6.21 Diligence. The residence to be constructed on each lot in the subdivision shall be completed in a good and workmanlike manner, and shall be completed within nine (9) months after the beginning of the framing for such construction. No improvements which have been partially or totally destroyed by fire or other catastrophe shall be allowed to remain on any lot in the subdivision for more than three (3) months after such destruction or damage.

6.22 Variances. Subject to the provisions of Article VIII, Section 8.7, of this Declaration, the restrictions set out in this Instrument may be altered, varied or waived on an individual lot basis upon compliance with the following regulations and procedures, to-wit:

- (a) Any owner of any lot in said section desirous of securing a waiver or variance of said restriction shall request the same in writing and shall deliver said petition to any member of the Architectural Control Committee hereinbefore named;
- (b) If the Architectural Control Committee, in the exercise of its sole discretion, approves of said variance, it shall notify the petitioner of the same in writing;
- (c) The written approval of any requested alteration or variance by the Architectural Control Committee shall constitute absolute waiver of and shall otherwise void the restrictions contained in this paragraph relative to the subject lot;
- (d) The waiver of the restrictions contained in this paragraph on any petitioned lot shall not constitute a waiver of said restriction on any other lot; and,
- (e) Unless the written approval as outlined herein is secured, the restrictions contained in this paragraph shall be binding and of full force and effect. Provided, further that if the Architectural Control Committee fails to notify the petitioning landowner of its approval within thirty (30) days of its receipt of the request, said request shall be deemed to have been denied.
